COURSE DESCRIPTION:

Wow- It's the turn of the decade!!

Where do you want to be in one year?

Are you ready to stop standing on the edge
of your potential and start achieving it?

Are you really *committed* to changing your
outcomes and making 2020 your best year ever?

Winning the Game of Goals in 2020

Grants you the ability to *work SMARTER not harder ...*

Having the right support, resources and tools makes this a 'no brainer' for you!

Here's What We'll Cover:

- Creating Your Personal '*Winning the Game of Goals' Action Plan for 2020*
- Leadership: How High Can You Climb?
- Transitions to Transformation
- Mindset Mastery: Let Your Brain Work for You
- Lifting Limitations and Creating New Beliefs
- Personal Success Rituals and Habits
- Finding Your Focus
- Perfecting Productivity & Peak Performance
- Tapping Into Your Capacity
- Communicating and Connecting With People
- Leveraging Relationships For Future Success
- The Rewards of Intentional Growth ***and so much more!!***

Here's What You Get-

In our live sessions, I'll show you how I'm thinking about building a more successful life in 2020, and beyond.

Every Live Session Includes:

- **Lesson Training Module** - Guiding you step-by-step
- **Templates, Tools & Training** Giving You Everything You Need to Ensure Great Results in 2020
- **Intentions, Actions & Accountability** for the week clearly defining your desired outcomes

- **Coaching, Group Discussion and Q & A** - Giving you on-the-spot coaching and support to breakthrough every potential obstacle
- **Supportive Community Facebook Page for Discussion**

Your Mission should you choose to accept:

In 12 weeks harness the power of '*Winning the Game of Goals 2020*' and your personal *2020 Action Plan* so you can experience continuous growth and advancement, get the outstanding result you want and enjoy your 2020 journey with confidence!

Remember: 2020 is a rare opportunity to be thinking about not only your resolution for this next year but also a resolution for the next decade. This is a very Important decade, we have to be conscious, intentional And ON IT!!!
